

**WEEKLY UPDATE**

**04/12/2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Our nursing facility is rooms 405, 406, 407, 408, 409 and 410. Nursing facility staff are staff assigned to 400 hall unit.

Clark County positivity rate continues to decline, which allows us to continue to have visitation for our nursing facility residents. As always, all visitors must check in at the front lobby of the Hospital prior to visiting. The visitor policy is in your handbook you received upon admission as well as posted on the Nursing Facility bulletin board.

Covid-19 vaccinations are available for nursing facility residents at no cost through Walgreens. Harmon staff will schedule the appointment and arrange transportation for any resident wishing to receive the Covid-19 vaccination.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-794-0100.

Sincerely,

*June C Cartino*
