

WEEKLY UPDATE

04/30/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that we currently have no confirmed cases of COVID-19 in our facility. The licensed nursing facility of Harmon Hospital-SNF consists of rooms 405 through 410, including staff that work in the 400-hall area.

We continue to have visitation daily with limited hours for nursing facility residents. The hours are currently and temporarily limited to ensure we have adequate PPE, staffing for visitor screening and assistance and to manage social distancing. All residents and family members are encouraged to consider the Covid-19 vaccine, which is available at Harmon Hospital at no cost.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-794-0100

Sincerely,

June C Cartino
