

WEEKLY UPDATE

05/07/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that we currently have no confirmed cases of COVID-19 in our facility.

As we continue to remain free of Covid-19 infections in our Nursing Facility unit, we continue to have visitation for Nursing Facility Residents. Nursing facility residents include those in rooms 405, 406, 407, 408, 409 and 410. Please continue to follow visitation guidelines including screening at reception desk, visitor log sign in and wearing a mask at all times during visitation. Visitation guidelines are provided in your admission folder and are also posted on the bulletin board.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-794-0100.

Sincerely,

June C. Cartino
