

WEEKLY UPDATE
06/18/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our nursing facility. We are happy to report that we currently have no confirmed cases of COVID-19 in our facility. Today Harmon SNF will finish the weekly testing of Nursing Facility staff. As the Clark County positivity rate remains low testing will continue after this week on a monthly basis for nursing facility staff.

Harmon Nursing facility is happy to welcome visitors to our Nursing Facility. Due to infection control practices and to maintain safety for our residents, we ask that visitation be between 3pm and 7pm daily/7 days a week. This allows us to provide social distancing, screening of visitors, and any personal protective equipment that may be necessary. As always, if this is not feasible, contact the Administrator or Director of Social Services and other arrangements will be made to accommodate visitation.

Please continue to check our website www.harmonmedicalrehab.com for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-794-0100.

Sincerely,

June C. Cartino
